

A. Amendments to the Drawings

Please enter amended FIGS. 1-3 attached to this paper.

B. Remarks

Applicant respectfully requests entry of an amendment to the drawings. Reference numeral 20 in the specification refers to a tank and reference numeral 22 refers to the sidewall of the tank. However, reference numeral 20 in the drawings as filed pointed to the sidewall and reference numeral 22 was not used in the drawings. The proposed amendment will effect consistency between the drawings and the specification. Applicant respectfully submits that no new matter has been added.

For the examiner's convenience, Applicant encloses a marked up copy of the drawings showing the proposed changes, as well as a clean copy of the drawings with the proposed changes incorporated.

Respectfully submitted,
